TATA MATA BISTRO

Concept

More je polazna tačka svega što radimo.

U Tata Mata Bistrou spajamo najbolje od mediteranske tradicije sa savremenim pristupom pripremi hrane, stvarajući jela namenjena deljenju, istraživanju i uživanju bez žurbe. Naš fokus je na pažljivo odabranim morskim plodovima, svežim namirnicama i jednostavnim ukusima koji dopuštaju kvalitetu da govori sam za sebe.

Seafood is the starting point of everything we do.

At Tata Mata Bistro, we combine the best of Mediterranean tradition with a contemporary approach to cooking, creating dishes meant for sharing, discovering and enjoying at a relaxed pace. Our focus is on carefully selected seafood, fresh ingredients and honest flavors that allow quality to speak for itself.
