Concept

Vino je produžetak svakog dobrog obroka.

Naša vinska karta okuplja pažljivo odabrane etikete iz Srbije, regiona i sveta, birane da prate ukuse mora, sezonske namirnice i trenutke provedene za stolom. Od svežih i mineralnih belih vina do kompleksnih crvenih i elegantnih penušavih etiketa, svaka boca deo je iskustva koje želimo da podelimo sa vama.

Wine is the natural extension of every great meal.

Our wine list brings together carefully selected labels from Serbia, the region and around the world, chosen to complement the flavors of the sea, seasonal ingredients and moments shared around the table. From fresh and mineral-driven whites to complex reds and elegant sparkling wines, every bottle is part of the experience we wish to share with you.
